

# 1<sup>ST</sup> ANNUAL ORANGE COUNTY HS CHEMISTRY SYMPOSIUM

Teachers Teaching Teachers...

2019

Networking

Sharing Best Practices

Moving Forward Together in  
NGSS implementation

*"SCIENCE is simply the word we use to describe a method of organizing our CURIOSITY*

- Tim Minchin

## Workshops/presentations include:

- *2nd Chance Chemistry: Strategies for Students who Struggle*
- *Chemistry Technology Toolkit: 21st Century Apps for the Classroom*
- *A Hot Air Balloon Project: NGSS Engineering in Chemistry*
- *POGIL for Chemistry: Process-Oriented Guided Inquiry Learning*
- *Chemistry Models: Twiggy & Gigi Haddid have nothing on Moly Mod!*
- *Atomic Theory Retold: Storytelling in Chemistry*
- *The Chemical Education Exchange: A New Learning Environment*
- *Sharks & Turtles: Models of Dynamic Equilibria*

The intention is that this will become an **annual event for Orange County Chemistry Teachers**. We look forward to learning with you!
