The Orange County Local Section wants to hear from you. If you would like more information about our section or how you or your company can contribute to our Section's efforts, please visit our website or contact us at OCACSCChair@gmail.com.

Chair's Message: We Want To Hear From You

As we approach the last part of 2018, our Executive Committee is hard at work planning 2019 and 2020. We want to know what you want from your ACS Local Section. Do you want networking opportunities, technical tours, presentations, volunteer opportunities, or do you just want to be left alone?

The easiest way to hear from you is a survey - and while we know that everyone hates surveys - this one will help us find out what you are interested (and not interested) in from OCACS.

I promise that this survey will take you less than 10 minutes to fill out, and it will really help us more than you know. Also, 4 respondents will receive Amazon gift cards as a thank you for taking the time. There are so many great activities we can plan for you, but we don't know if you will attend. This survey will help us, so take it here:

OCACS Local Section Interest Survey

Next, you will be receiving an E-mail on Monday to vote in our 2018 elections. We have a fantastic slate of candidates this year, and I hope you will take a few minutes and vote. It will also get you ready to vote on November 6!

Finally, you should be receiving ACS dues notices soon. If you are so inclined, please include your local section dues when you pay the ACS national dues. Local section dues cost less than two cups of coffee at Starbucks - and they help our Orange County community so much. Our Education Committee works hard to plan and put on our National Chemistry Week celebration at the Santa Ana Zoo each year. We also have
been nationally recognized for our High School and College Awards Dinners and our Chemistry Olympiad activities. Through these events and others, we reach thousands in the Orange County and show them the Power of Chemistry! Your Local Section dues helps us a great deal in all of these efforts and activities.

Thank you for your time and join us today!

Dr. Sandra Thompson
Chair, Orange County Local Section
American Chemical Society

**Orange County Local Section Celebrates National Chemistry Week at the Santa Ana Zoo**

Our Orange County celebration of National Chemistry Week will take place at the Santa Ana Zoo on Sunday, October 14, from 10:00AM to 3:00PM. This is a day of hands-on chemistry centered around this year’s theme of “Chemistry is Out of This World”.
Twelve local colleges and universities are sending groups of volunteers to help the kids with their experiments, and there will be a chemistry “Mr. Wizard”-type show at 12:30. Come help us celebrate!

If you want to get more involved in our section activities or if you have suggestions for new activities, please contact us at OCACSCChair@gmail.com.

Don't miss our upcoming events and meetings and for more information, please visit our website.

**Oct. 14:** National Chemistry Week  
**Oct. 15:** Elections Link Mailed  
**Oct. 18:** Dinner Meeting  
**Nov. 15:** Dinner Meeting
Get Involved & Support OCACS

If you want to network with over 1300 chemists in Orange County, host a technical tour, speak at one of our dinner meetings or science cafes, explore leadership opportunities, or advertise with our Section, please visit our website or E-mail us at OCACSLocalSection@gmail.com and OCACSCChair@gmail.com.

We would love to hear from you!
