

Chemistry's the Key

*A hero cant you see?
Well, that's just chemistry!*

*The world we know so bright and green,
Well, chemistry can keep it clean*

*In conserving energy,
Chemistry's again the key*

*For all the answers it creates,
It's Chemistry we celebrate!*

Chemistry's the Key- Erish Araneta

A hero can't you see?

Well, that's just chemistry!

The world we know so bright and green,

Well, chemistry can keep it clean

In conserving energy,

Chemistry's again the key

For all the answers it creates,

It's Chemistry we celebrate!
